WBC are currently reviewing the local plan and it is advised that Neighbourhood Development Plans (NDP) cannot be submitted until this plan has been agreed, which is expected in 2021. WBC have stated they will honour the number of houses suggested in the Pirbright Institute site, Compton Supplementary Planning Document (SPD) if they receive confirmation that this figure is still supported.

The Clerk was requested to write to WBC for confirmation of this position and the process required and of the legal position of the SPD.

CC confirmed that at Western Area Planning Committee meetings she is able to speak on an application and vote on it, provided she has no pecuniary interest.

will be consulted on the results and the Parish Council can withdraw its request should it agree to do so.
